Treasury Department
Nov. 2. 1855

Sir

You will, in compliance with his request, as referred to by you, in your letter of the 1st, send to Mr Lucas, printer at Baltimore, five hundred copies of the plate attached to your "report on fusible alloys;" and include the expense of printing the same, in your bill of expenditures on account of fusible alloys for the present quarter.

The clerk to whom your bill for the last quarter was referred, is at present absent, on public duty. On his return to Washington City, it will be attended to.

Mr Lucas' letter to you, is herewith enclosed.

Very respectfully
James Guthrie
Secretary of the Treasury.
